B) A Report

i. Title:

Academic Lecture on 'Humanitarian Thoughts of Sant Kabir' (Under Staff Academic Lecture Series; an Ecosystem)

ii. Introduction:

An ecosystem promotes the creation and transfer of knowledge and Shahu Extension Services (SES) plays a crucial role in the same. There should be a platform where the learned faculties can disseminate the knowledge they have through their perceptions and studies which can encourage the growth and development of faculties along with developing their creativity.

The institution's abundance of creative talent and helpful resources can be used to produce new ideas, approaches, and concepts that could support the sociocultural development of the participants in the ecosystem.

iii. Objectives of the Workshop/ Issues Addressed:

- Creation and transfer of knowledge through the ecosystem
- To provide a platform for nurturing of new ideas, approaches, and concepts.
- To foster the engagement of creative talent and helpful resources in the institute

iv. Details of Participants:

155 participants (Male 109 and 46 Female) from the college attended the Academic Lecture.

v. Brief Summary of Events/ Sessions:

Mr. Sudarshan Patil opened the session by welcoming all the dignitaries and participants Dr. S.J. Phule, the secretary of the lecture series introduced the speaker and gave some insights about the subject and life of saint Kabir.

Mr. Vijay Gavali elaborated his lecture on Sant Kabir stating that he was born of a hindu widow and raised by Julah Muslim Family. When we read his couplets (Dohas) we come to know that he was an illiterate man but he might have traveled all over india as there are many words from various Indian languages.

Further he explained many couplets to the audience and stated that he was a great philosopher of life as many wonderful thoughts of life and humanitarian approach are found in his poetry. From the life story of Kabir we understand that the society of time was divided into sects and creeds so it was very easy to rule and British took advantages of situation. We should be courteous while at work place or at any business we should be polite enough so that we can have a better society.

By picking up different couplets he explained that man has to lead one's life. These couplets explain many virtues and vices of men and women. And add to the betterment of life by knowing what is man's way of life i.e. religion or we can say that it is humanitarian approach. He further said that we should shed our egos and always be polite and courteous. Anger hatred, jealousy, envy etc. should be kept away from us. As we the teachers, we should be exemplary model for our students.

He focused on our own observations lead to the upliftment of human beings and that should be the goal of our lives. The very purpose of our life is to attain the God and that can be done through humanitarian approach and concluded his speech.

The Chairperson Principal Dr. Mahadev Gavhane presided over the programme by saying that we should come out of the mentality of my religion and tread on the path of humanitarian approach of life. Mr. Amol Landge proposed vote of thanks.

vi. Conclusion, with Feedback on the Workshop:

Participants have become more enthusiastic about the Sant Kabir's Thoughts and their relevance to the current educational system and asked for the regular arrangement of such programs in nearby future.
