B. Report

i. Title:

Academic Lecture on 'Defense Policy of Shivaji Maharaj' (Under Staff Academic Lecture Series; an Ecosystem)

ii. Introduction:

An ecosystem promotes the creation and transfer of knowledge and Shahu Extension Services (SES) plays a crucial role in the same. There should be a platform where the learned faculties can disseminate the knowledge they have through their perceptions and studies which can encourage the growth and development of faculties along with developing their creativity.

The institution's abundance of creative talent and helpful resources can be used to produce new ideas, approaches, and concepts that could support the sociocultural development of the participants in the ecosystem.

iii. Objectives of the Workshop/ Issues Addressed:

- Creation and transfer of knowledge through the ecosystem
- To provide a platform for nurturing of new ideas, approaches, and concepts.
- To foster the engagement of creative talent and helpful resources in the institute

iv. Details of Participants:

134 participants (Male 91 and 43 Female) from the college attended the Academic Lecture.

v. Brief Summary of Events/ Sessions:

Dr. Kalyan Savant opened the session by welcoming all the dignitaries and participants. Dr. S. J. Phule introduced the speaker and gave some insights about the topic. Then the learned speaker Dr. Mahesh More elaborated his speech on the Defense Policy of Shivaji Maharaj.

- At the outset he spoke of early life of Shivaji Maharaj in view of his learnings and also the dynasties around where most of the states were lacking in many aspects of life. Then he stated that Shivaji Maharaj unfortunately lived a very short life comparatively. Yet his works and deeds are breathtaking and are incredible in nature. He was the only

person with all the greatest qualities of a leader that can be considered as all-time finest qualities of a leadership with humanitarian approach. He also stated that he can be considered as the real founder of democracy especially when democracy as a term was not in existence.

He said that Shivaji Maharaj gave much importance to the forts and castles. He acquired and built more than 350 forts in his life time. This very fact is astonishing and make anyone flabbergasted because it is not less than a miracle.

He further said that Shivaji Maharaj had developed a very systematic and foolproof policy for his soldiers and army and he continued to add on to his Defense Policy.

His pay-packages to the soldiers and army men were the highest of the time like today's multi-national corporate structure. All the policies and regulations were both attractive and alarming to the warriors of the time. They were attractive because they were beyond anyone's expecting and alarming because for treachery the punishment was very severe and his intelligence department was very strong and his men were very loyal to him. He is also regarded as the Father of Indian Navy. Thus he concluded this speech by comparing his army to modern world army and corporate structure of companies for their campaigns.

The chairperson Dr. Mahadev Gavhane gave his presidential speech stating that we can also learn from his policies to run our organizations.
Dr. Venkat Dhumal proposed vote of thanks.

vi. Conclusion, with Feedback on the Workshop:

Participants have become more enthusiastic about the defense policy of Shivaji Maharaj and the thoughts expressed by the speaker and their relevance to the current educational system and asked for the regular arrangement of such programs in nearby future.
