3. Approval of syllabus of B.Com-I year
(I and II sem) and M.Com. I year.
Hon'ble member Dr. Shiv Kumar Bhardar
put his views on syllabus and
suggested that -

- a) Demand analysis and supply analysis
two separate units were not
necessary, combine these two units
into one unit in paper-I. The
'consumer theory' unit of paper
II can be shifted into paper-I.
- b) In Business Economics -I add the
unit 'market structure'.
- c) In managerial economics paper
of M.Com I year, add the 'optimization
techniques' instead of 'theory of
factor pricing and income distribution'.
By considering the above suggestions,
the board unanimously approved the
syllabus of (a) Business Economics -I
(b) Business Economics -II and (c)
Managerial Economics from the
academic year 2022-23.
