Placement Cell Report 2018-19

This 2018-19 year considered to be a most promising year for the students not only from our college but across from the RSML. Now management has decided from Placement Cell to go for certain hands on work for our final year students, who are supposed to face the interview.

Journey begins with CCRETP (Certified Campus Recruitment Enhancement Training Program). We have designed this course of 15 Lectures, in such a manner where students selection ratio in the Campus Placement should get enhanced. Along with it there is double Responsibility on our Shoulder Training Plus Placements of the students. Also we are focusing to increase the number of Functional MOU's with other Organizations.

Still a lot to go, but we are dam sure we will succeed towards our achievement to create our Latur Pattern in the context of Placement Cell.

Rajarshi Shahu Mahavidyalay, Latur (Autonomous)

Placement Cell
