Placement Cell Report 2017-18

This 2017-18 year considered as the cultivating year in the context of Placement cell, because we need to focus on our strength & our strength is our students. We require to focuses on the communication skill, development of interview techniques & resume writing etc. Ultimately it will increase the student's employability ratio.

Once we started to working on these strengths regarding the enhancement of Students employability, we will definitely gain some scintillating outputs in the vision of Shiv Chatrapati Shikshan Sanstha. This year we also need to work on Entrepreneurship Development program, because not only we are trying to produce employees but also employer.
